

DEVELOPMENTAL DISABILITIES AWARENESS MONTH

#ddawareness18

March is Developmental Disability Awareness Month!

The goal for this month is to create awareness about developmental disabilities, teach the importance of inclusion within every aspect of life, and to share the stories of individuals with a disability to show that a successful life is possible! This year's theme is *"See Me for Me!"* Looking beyond any disability to see everyone for who they are as a person, and not just as a person with a disability. Encourage constituents to post on their social media using the hashtag **#DDawareness18!**

Ways to celebrate this month:

- Join our organization and help us advocate
- Consider a membership donation to a consumer, parent or interested individual or organization. Several people have honored others by buying them a year's membership in our organization.
- Use the hashtag **#DDawareness18**
- Facebook & Twitter
 - Post photos, videos or stories about your life side by side
 - Share posts from other people and pages
 - Use the hashtag **#DDawareness18**
- Send us your resources so we can share them with everyone else! Resources can include blog posts; studies; information about education, community living, families, health/healthcare; or anything else that you think can be a helpful resource to others for living side by side!

Here to serve you ...

FROM THE EXECUTIVE DIRECTOR:

The days are longer, the nights are warmer, and we can finally put our heavy coats and gloves in the back of the closet. Winter is almost gone and that means it's time for warmer weather and all the joys that it brings. It seems like we had a very long winter here at Mon-Arc, but we are looking forward to the warmer weather. Our social calendar is filling up with events held by us and our United Way partner agencies.

On March 7th, I attended the United Way of Monroe/Lenawee Counties *Everyday Heroes* banquet. It was an honor to hear about the men, women and even dogs that are part of our community and their selfless acts.

Please consider attending some of these community events:

March 24: Family Counseling and Shelter Services is holding the *6th Annual Murder Mystery Dinner*

March 27: We have been invited to speak briefly at ProMedica about our services at 10:00 a.m.

March 31: I will be joining our AARP office staff Jim Imhoff along with some various agencies such as Fairview, Center for Independent Living, and MCMHA as well as other agencies in Monroe County at the Salvation Army (815 East First St.) to cook and serve dinner to those in need in our community.

April 12: The Dundee Senior Center will hold the *Spring Bingo Extravaganza*

April 21: The Boy Scouts of America in Monroe County (Running Waters District) is having the annual *Fundraising Breakfast*

April 23: The Transition Council is holding *Autism Awareness Night* that is heavily attended by parents from 4:30-7:00 p.m. at the M.C.I.S.D.

April 27: Paula's House is holding the *Spring Fling* at the Monroe Golf & Country Club

Mon-Arc Dances:

April 27: April Dance at the Community College from 6 - 8 p.m.

May 18: Dance at the Community College from 6- 8 p.m.

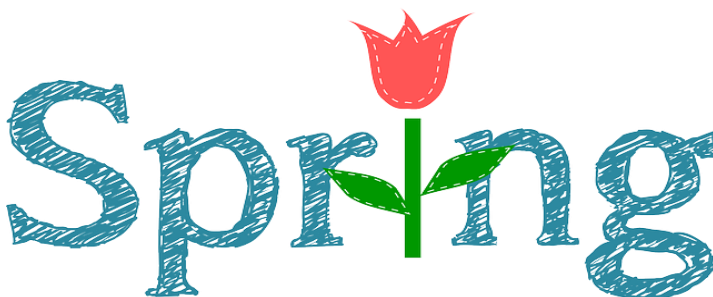

June 15: Second Annual Summer Parking Lot Dance at Prince of Peace Lutheran Church in Ida

Sue Pickens, our wonderful Social Recreation coordinator, is working on offering Art Therapy sessions soon. Please look for the sign-up sheets at our dances or on our website.

As the seasons and time change, so must we here at the Mon-Arc. We advocate daily for people with developmental and intellectual delays in our community. We face the struggle up of ever-changing requirements and at times confusing laws. We continue to appreciate the community support that we receive, but — in this ever-changing political environment — we are seeing an increase in advocate support. Every donation given is appreciated and we ask that you continue to remember us throughout the year. Thank you one and all for your support.

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well."

— Ralph Waldo Emerson

Sincerely,
Sondra Thorn

MICHIGAN ALLIANCE FOR FAMILIES YOUTUBE CHANNEL

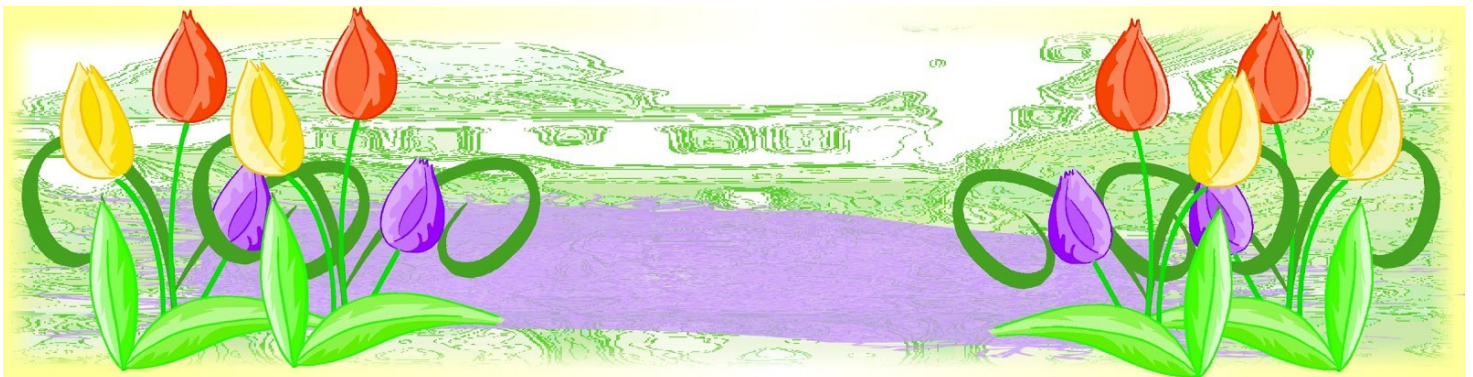

Ever wish you could attend one of the learning opportunities or events offered by the Michigan Alliance for Families offered across the state? You can watch a webinar of many of the events at no cost by going to:

<http://www.michiganallianceforfamilies.org/webinar/>

Michigan Alliance for Families offers a helpful webinar series. A webinar is an on-line presentation you can attend without having to leave your home or office. It's an opportunity to hear an expert speak for about an hour on a topic that interests you. There are not any live webinars currently scheduled.

The Alliance has an archive of recorded webinars available for when you need access to learn, understand, and manage topics related to special education. The webinars (like all of the learning opportunities offered) are free for parents, caregivers, and educators. These webinars can be viewed anytime on the ***Michigan Alliance for Families YouTube Channel***.

E-mail **info@michiganallianceforfamilies.org** to request the handouts for a recorded webinar.

Social Recreation Update

The January dance was held at Monroe County Community College, which is a better location and more handicapped-friendly. There are regular tables and chairs rather than the picnic-style tables at the Middle School. There is plenty of room for everyone.

Sue Pickens, chairperson of the Social Recreation Committee, is exploring other social opportunities within our community. She is in discussions with an Art Therapist who could possibly offer art classes to small groups of our consumers. There are many details that need to be worked out and she will keep us posted with the details in the near future. Sue has also contacted the local movie theater to see if they will offer sensory-friendly movies from time to time.

Please check our website: **www.monarcofmonroe.org** and our Facebook page: **The Mon-Arc of Monroe** for regular updates regarding the Social Recreation programs.

Pickens Honored at Celebration of Women

Sue Pickens, who has worked tirelessly on behalf of people with developmental disabilities throughout her life and career, was recognized during the 23rd annual *Celebration of Women*, held at the Monroe Golf & Country Club.

The event is hosted by **Soroptimist International of Monroe County** each spring. It is an inspiring evening that celebrates the accomplishments of local women who have made a difference through their remarkable efforts.

Women from all walks of life, various backgrounds and different career paths have been honored throughout the years. ***Congratulations, Sue!***

Special Series: Abused and Betrayed

In January, disability reporter and author Joe Shapiro presented an important series on the topic of sexual assault and abuse of people with disabilities in America:

- *"NPR Investigation Finds Hidden Epidemic of Sexual Assault"*
- *"For Some with Intellectual Disabilities, Ending Abuse Starts with Sex Ed"*
- *"She Can't Tell Us What's Wrong"*

The entire series is archived and you may listen at:
